National ECS / Electronic Clearing Service (ECS) for Payment of Dividend

To the shareholders,

The Company has introduced NECS / Electronic clearing Service (ECS) for payment of dividend. This would facilitate shareholders to obtain the dividend electronically and the payment would consequently be faster and loss of dividend instrument in postal transit would be eliminated.

Under this method, the Company would issue payment instructions to the Clearing House of Reserve Bank of India through the bankers of the Company. The dearing House would furnish to the service branches of the destination banks branch wise credit reports indicating the beneficiary details such as names of the branches where the accounts are maintained, the names of the beneficiaries account type, account numbers and the respective amounts. The service branch would in turn pass on the advices to the concerned branches of their bank, which would credit the beneficiary's accounts or the appointed date. An advice of remittance would be sent by the Company to the shareholders opting for electronic transfer.

Considering the benefits derived in NECS/ECS for payment of dividend, shareholders are advised to avail this facility. Securities & Exchange Board of India and the Department of Company Affairs, Government of India, have made it mandatory on the part of the companies to offer NECS/ECS facility, wherever the said facility is available.

Presently, NECS/ECS facility is available all over the country irrespective of the amount involved
