**KL University signs MoU with Imarticus Learning to launch MBA in Fintech**

immersive live lectures, hybrid learning modules, industry-focused seminars, capstone projects, guest lectures, and soft skills training among other unique methods.

The novel program is mapped to cover every aspect of Fintech, with a curriculum designed to provide learners with in-depth exposure to the key elements of the Fintech landscape. Unlike a regular MBA that focuses on generic management principles and broad specializations, this specialized MBA program is crafted to specifically address the skill gap anticipated in this industry,' said Dr. A. Ramakrishna, Director, Kondapur Campus, KLU.

The university announced the partnership soon after projecting impeccable growth in the NIRF Rankings 2022, chasing the pinnacle of educational success. The results record KL University's grand entrance to the Top Rankings in the University category, standing at 27th in the Top 100 universities in the country.

KL Deemed-to-be University, one of the leading universities in the country for graduation and higher education, has announced a strategic collaboration with the nationally renowned Imarticus Learning, India's foremost EdTech Company, to develop an exceptional on-campus MBA program in Fintech.

KL University has embarked on this collaboration to steer in creating a world-class learning experience in the burgeoning academic field of Financial Technology. The Memorandum of Understanding (MoU) was signed in Hyderabad to collaboratively incorporate a matchless business education in the Fintech domain.

Ahmad Khalid, Sr. Vice-President, Imarticus, Bangalore informed that the very first batch will have an intake of 60 students on campus, restricted exclusively to those passionate and adept at crucial technologies like Blockchain, Artificial intelligence, Machine learning, Big Data, etc.

KLU has now launched this high-yielding career choice, to tend to this unprecedented rate at which the demand for FinTech specialists is growing. The newly adopted teaching methodology from Imarticus Learning includes
